Scouting Ireland / Irish Air Corps 100th Anniversary Badge Challenge

The Air Adventure Team and Irish Air Corps are celebrating this anniversary milestone by introducing a **NEW BADGE** that will challenge our Scouting Ireland groups to explore the role the Irish Air Corps (IAC) provide to communities up and down the country and celebrate the close relationship both organisations have in the work we do with young people.

The **Air Adventure Team** are inviting all lodges, sixes, patrols and crews to take part in researching, planning and running their own project that highlights the role of Irish Air Corps across the past 100 years in our communities.

Projects need to be submitted before **30th July 2022** for competition entry

If you have an idea for a project or would like to find out more about the badge etc email airactivities@scouts.ie

You can also find more information at SFNI.org
or emailing programmelead@sfni.org
