

# Scouting Ireland / Irish Air Corps 100th Anniversary Badge Challenge

To celebrate the **100th anniversary** of the **Irish Air Corps**, the Scouting Ireland **Air Team** in partnership with IAC present the **100th Anniversary Badge Challenge** and offer an opportunity to win a **VIP trip to IAC Baldonnell** available to all Group Sections.

**Inspired** by the many roles the **IAC** play within the community, ranging from Air ambulance missions, to supporting the Coast Guard, to transporting COVID tests and many more community support activities...

**SFNI** are calling on **Northern Province Groups** to take inspiration and explore the work the **IAC** does and come up with and run a **social action** or **pay it forward** event that will help others in our **own** community.

There is no limit to how **BIG** or small your social action/ pay it forward event could be. All we ask is that you and your group take time to **explore** the **community work** of the **IAC** to help **draw inspiration** to make a difference to yours.

All ideas and plans should be sent to [airactivities@scouts.ie](mailto:airactivities@scouts.ie)

The Badge Challenge is open to all Group Sections from across the Province  
Submissions for the Challenge close on **30th July 2022**
